CLOTHING AND TEXTILES

1. PREAMBLE

The aim of the course in Clothing and Textiles at the Senior High School level is to train students to acquire knowledge and skills in clothing production and management. This equips students with employable skills to improve their quality of life and that of the society.

2. <u>OBJECTIVES</u>

The examination syllabus is aimed at testing the basic knowledge and understanding of candidates in

- (1) career opportunities in Clothing and Textiles.
- (2) basic scientific knowledge in Textiles e.g. fibres, origin and construction (fabrication), selection, fabric combinations, use and care of fabrics.
- (3) the significance of clothing, selection of appropriate clothing for all occasions and figure types.
- (4) the selection, use and maintenance of sewing equipment.
- (5) the clothing production skills e.g. pattern, freehand cutting and general processes in clothing construction.
- (6) the knowledge in designing and decorating family clothing and household articles.
- (7) the skills in the repair, renovation and remodelling of clothing and care of clothes.
- (8) the development of entrepreneurial skills and work ethics in Clothing and Textiles.
- (9) the development of techniques for promoting Clothing and Textiles products (modelling, exhibition, etc.).

3. SCHEME OF EXAMINATION

There will be three papers, Papers 1, 2 and 3 all of which must be taken. Papers 1 and 2 will be composite paper to be taken at one sitting.

- **PAPER 1:** Will consist of sixty multiple choice objective questions all of which must be answered within 1 hour for 60 marks.
- **PAPER 2:** Will consist of six short-structured essay-type questions. Candidates will be required to answer four questions within 1 hour 30minutes for 60 marks.
- **PAPER 3:** Will consist of two sections. One section will be a practical test and the other will test candidates' familiarity with their course work. The paper will carry 100 marks and will last 2 hours 30 minutes.

There will be 30 minutes preparation time prior to the conduct of the test. The test will be conducted by a visiting Examiner appointed by the West African Examinations Council.

The articles for the course work together with their pattern pieces should be presented to the visiting Examiner for assessment, for 20 marks.
