FINANCIAL ACCOUNTING

1. AIMS AND OBJECTIVES

The examination in this subject sets out to assess candidates':

- (i) Understanding of accounting principles and the role of accounting in recording business transactions;
- (ii) appreciation and application of the rules and functions of Accounting as they apply to organization;
- (iii) foundation for further studies in Accounting.

EXAMINATION SCHEME

There will be two papers – Paper 1 and Paper 2, both of which will constitute a composite paper to be taken at one sitting.

- **PAPER 1:** Will comprise fifty multiple choice questions to be taken in 1 hour for 50 marks.
- **PAPER 2:** Will be made up of two sections: Sections A and B and will last 2½ hours.
- **Section A:** Will contain five essay questions on theory of financial accounting. Candidates will be required to answer two out of the four questions for 15 marks each.
- **Section B:** Will contain five essay questions on financial accounting practice. Candidates will be required to answer three out of the questions for 15 marks each.
