UPHOLSTERY

SCHEME OF THE EXAMINATION

There will be three papers, Papers 1, 2 and 3, all of which must be taken. Papers 1 and 2 shall be a composite paper to be taken at one sitting.

Paper 1: will consist of forty multiple-choice objective questions all of which are to be answered

in 1 hour for 40 marks.

Paper 2: will consist of four short-structured questions. Candidates will be required to answer

any three questions in 1 hour for 60 marks.

Paper 3: will be a practical test of 2 hours duration. It will consist of one question

for 100 marks.

A list of material for the test shall be made available to schools not less than two weeks

before the paper is taken for material procurement and relevant preparations.

ALTERNATIVE TO PRACTICAL TEST

The Council may consider testing candidates' ability in practical work as prescribed in the syllabus in the event that materials for the actual practical test cannot be acquired. For this alternative test there will be one question to be answered in 2 hours for 100

marks.
